

2021 Festival Experience with Remote Hub

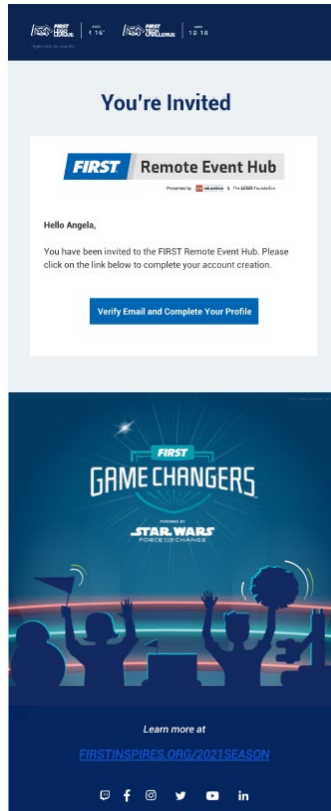

Typical FLL Explore Festival

- Teams bring Model Build and Show Me Poster to festival location
- Opening Ceremony
- Schedule review time
- Additional activities when not being reviewed
 - FTC or FRC demo
 - LEGO build challenge
 - View other team's projects
- Closing Ceremony

Remote Hub Overview

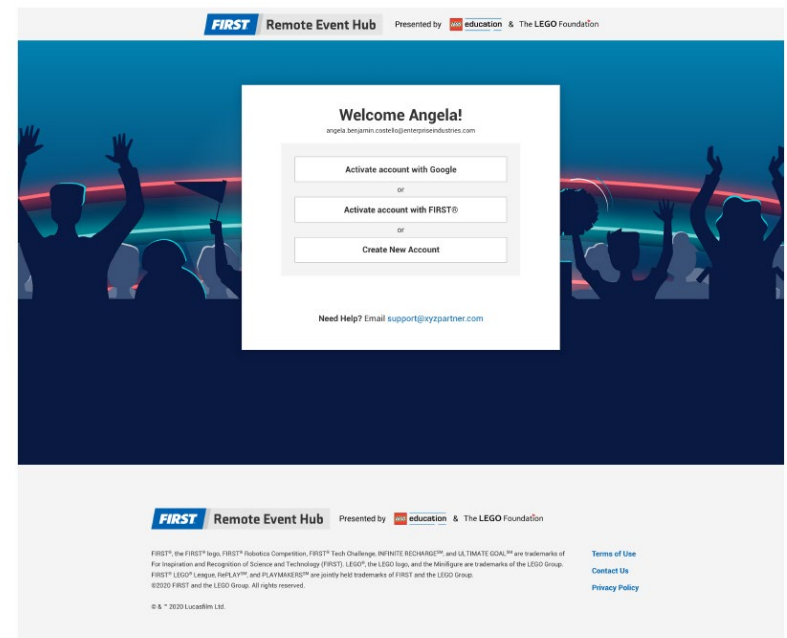

- ❑ All remote events will be set up through the Remote Hub provided by FIRST
- ❑ Before registering for a local festival all youth protection screening forms for team members must be completed on your team's National Profile
- ❑ Once registered locally with your local Program Delivery Partner for your desired Festival you will be sent an invitation to join the Remote Hub
- ❑ Coaches will create a profile and add all team information (please note if you are coaching more than one team you will be able to add each team to your profile)
- ❑ Coaches will upload supporting documents to Remote Hub for reviewers to see
- ❑ Reviewers will fill out an assessment on the Remote Hub and upload to your team profile after the closing ceremony

Festival Platform Guidelines

- All team members must be singed on by a coach
- All team members mut have up to date Youth Consent Form
- No additional parents and spectators will be allowed on the streaming platform
- Teams will need video and microphone capabilities to include all team members

North Texas Remote Festivals

- ❑ Festivals will be held Saturday Mornings 8:30 a.m. – 12:30 p.m. tentatively
- ❑ Teams will be required to upload supporting documents to the Remote Hub a week before their scheduled Saturday Festival:
 - Three-minute video showing 360-view of the model and any model movement. (detailed video instructions will come once registered for festivals)
 - Five photos including team picture and pictures of the *Show Me Poster*
- ❑ Teams will be sent via the Remote Hub a link to Zoom for the Saturday Festival where the following will take place:
 - Opening Ceremony
 - Teams will be assigned to breakout rooms where they will be with at least two reviewers who will ask them questions about their models and show me poster (5 rounds of reviewing per team)
 - Closing Ceremony
